THANK YOU FOR YOUR SUPPORT!

The History channel had a new documentary called *15 Septembers later*. In this documentary they interviewed people like President George Bush, Vice President Dick Cheney, Major Rudy Giuliani, in all there were many testimonies of people who played active rolls in responding to the tragedy of September 11, 2001.

I believe we could all be have been part of that documentary, we can all recall where we were, during that morning that changed our Nation. Fifteen years have passed and I know that I can vividly recall that morning of September 11 2001.

A retreat master at the seminary once said to us. "tragedies and difficulties in our lives can make us bitter, or better." I believe 15 years later our Nation has gone through many changes, and the pain and the memories of that faithful September morning will never be forgotten. But as nation and as the generations that will carry this memory alive in our minds and our hearts the rest of our earthly lives, we have to strive to become better.

We will never forget the events and the tragedy of September 11,2001. But we can choose to live and become better human beings, better Christians, better citizens of this great Nation, that has risen from the ashes of that day. Let us all lift up our prayers to the Lord, so that He will continue watching over our Nation, protecting our families, and help us become better not bitter.

May the souls of those who tragically died September 11,2001, and souls of all the faithful departed, through the Mercy of God. Rest in Peace.

God Bless you all.
