Love Is Our Mission: The Family Fully Alive

The World Meeting of Families, which began in 1994, is a triennial, week-long global event, instituted by Pope St. John Paul II, that seeks to strengthen the sacred bonds of family across the globe and highlight its intrinsic value to the good of society. Join tens of thousands in Philadelphia and participate in a week of celebrating the family, with speakers and activities for people of all ages. Pope Francis himself will join in the weekend activities, which will include a public Festival of Families featuring music, dance and other family events. Highlighting the week of festivities will be a public Mass to be celebrated by Pope Francis himself on Sunday, September 27, 2015.

All are welcome to join us!!!!
